Village Vibes

“Living for Today: Planning for Tomorrow”

March 2017

Tierrasanta Village (TVSD) is an active, nonprofit organization for residents aged 50+.

TVSD promotes social connections and helps our members thrive and remain independent.

We plan many special events, print this newsletter, and create activities for different passions and interests.

Greetings, Villagers! ...Joyce Muinos

I have been in Tampa for 2½ months already and, I can't tell you how much I've missed my Village and my Tierrasanta! As hard as it is for me to accept, it seems that everyone is doing quite well in my absence!! That really does not do much for my self-esteem! Your new Board of Directors held the Annual Retreat/Transition Meeting on February 23rd at the home of Linda Rees and laid the groundwork for another fabulous Village Year! Highlights of the Transition meeting will be shared with you at the March General Meeting. As a test, we're trying an afternoon meeting at 2 PM at the Seventh Day Adventist Church. I suggest that you please register for the General meeting. We could pack the room and we want to make sure everyone is comfortable! It is the hope of the BOD that the afternoon meeting will bring more members and facilitate the exchange of information and ideas! Many members (not mentioning any names) complain that they aren't aware of some of our events, socials, etc. Of course, each one of these are discussed at the general meetings, announced on line on our very entertaining website, listed on the activity calendar and... advertised in the beautiful Village Vibes! C'mon, people!

Of course, your Social Committee is always thinking of good times and they've planned another St. Patrick's Pot Luck for all Villagers on March 17th at the VMHOA Clubhouse. If you've never been to one of our pot luck lunches, you are missing out big time! Food, fun and frivolity! This is a big-seller, make your reservations early and

don't forget to wear something Green!

The Membership Team is also busy trying to spread the word about our Village. They will be sponsoring a Happy Hour on March 16th, from 4 'til 6 PM at the VMHOA Clubhouse. This is an informational meeting for prospective members. Members are invited, but, you must bring a prospective member! There's plenty fun for everyone – spread the word and invite your neighbors!

I also want to recognize the efforts of Janice Trantham and Fran Zweibel in convincing the Copley Foundation that the Village was a worthy investment, in spite of the fact that we didn't meet their Grant criteria! The Foundation was so impressed with our TVSD and Janice and Fran's presentation, that they sent us a “discretionary” check in the amount of \$2500 to use toward some of our worthwhile programs! Thank you, ladies, for your effort and thanks to the Copley Foundation for their generosity!

Janice has also prepared the application for the San Diego County Community Enhancement Program funding. It is with these and our annual appeal dollars that we can afford to continue to bring classes and programs of interest to our members to the Village. Our dues keep the lights on, give us shelter, insurance, a phone and a very competent front desk administrator. Everything else is “extra” and the Grant dollars help cover the “extras”!

Again, I've created a space problem for Mike R! I think that better be all for now! I sincerely miss you all!! Adios!

WHY IS REGISTERING FOR EVENTS IMPORTANT?

As many of you are aware, the Village to Village Network and Beacon Hill Village 15 Year Celebration Webinar, with guest speaker, Dr. Atul Gawande, author of "Being Mortal" scheduled for Monday, February 13, 2017, was cancelled. We had 41 people who had registered to attend this event, a few of whom were not TVSD members.

When I received the notification that the Webinar had been cancelled due to the blizzard conditions in the Boston area, I immediately sent an email to all our members, as well as our non-member database, to inform everyone about the cancellation. In addition, we were able to call each and every person who had registered, speaking to them either personally or by leaving a detailed message.

The moral of this story is that if we had **NOT** had these registrations, we would **NOT** have known who was planning to attend and **NOT** have been able to contact everyone. In fact, we were advised by some of our members that they do not regularly read their emails and most likely would not have known about the cancellation. Therefore, please think about registering for events in the future – it not only benefits the Village but it assists you in your planning as well. This is exactly why many of us have been urging you to register for all events! If you need assistance, please do not hesitate to contact us – we are there to help you!

For your information, the Village to Village Network is planning to reschedule this event sometime this summer. We will keep you posted you as soon as we receive information.

Thank you!.....**Francine Zweibel**

Dear Villagers (friends):

Why do I have a variety of friends who are all so different in character?

How is it possible that I can get along with them all? I think that each one helps to bring out a "different" part of me. With one of them I am polite. With another I joke. I can sit down and talk about serious matters with one. With another I laugh a lot. I listen to one friend's problems. Then I listen to another one's advice for me.

My friends are like pieces of a jigsaw puzzle. When completed, they form a treasure box, a treasure of friends! They are my friends who understand me better than I understand myself. They're friends who support me through good days and bad.

Real Age doctors tell us that friends are good for our health. Dr. Oz calls them Vitamin F (for Friends) and counts the benefits of friends as essential to our well being. Research shows that people in strong social circles have less risk of depression and terminal strokes.

If you enjoy Vitamin F constantly you can be up to 30 years younger than your real age. The warmth of friendship stops stress; even in your most intense moments, it decreases the chance of a cardiac arrest or stroke by 50%. I'm so happy that I have a stock of Vitamin F!

In summary, we should value our friends and keep in touch with them. We should try to see the funny side of things and laugh together and pray for each other in the tough moments.

Thank you for being one of my Vitamins!**Fran Zweibel**

Village Hiking

1.5 hours/1.5+ miles (MTRP - Mission Trails Regional Park), Quarry Loop: On **Fri, 10 Mar 2017 (second Friday), we gather at 9 AM.**

(Drive east on Clairemont Mesa Blvd to the end; park on the street (either side) just outside the gate; we'll meet at the gate.) We walk across a long metal bridge & slowly climb a 100 foot hill. Past the top, it's largely down hill or almost level the rest of the way.

We get a great view of the active Quarry that's down near Mission Gorge Road. The trail is mostly a three foot wide path, through chaparral. Everything is very green; many comments say it "looks like Ireland" now.

2 hours/2+ miles (Tierrasanta Canyons)

Shepherd Loop (clockwise - community pond toward Santo): On **Fri, 24 Mar 2017 (fourth Friday), we gather at 9 AM.** (Go north on Santo Road past the Von's shopping center, to turn right on Antigua Road. At the next right turn, go east on Playa Veracruz to just past the Playa Encino intersection where there's a gate on the right. Stop/park.) The route has mostly 6 foot wide utility roads, plus some 3 foot wide paths. You're mostly in canyons (North Shepherd, then by connecting trails over to East Shepherd); the water down the bottom makes the vegetation more lush than up on the dryer hills.

Similar in concept to the enormously popular TED Talks, "Tierrasanta Talks" is open to the public and features speakers of renown, interest, or inspiration. The launch event in February 2015, featuring Pulitzer Prize winner Steve Breen, drew out a crowd of about 100 people, who were mesmerized by Steve's talent and stories. Speakers have also included Georgeanne Irvine from the San Diego Zoo and KPBS Midday Edition host Maureen Cavanaugh.

Admission is \$10 per person, and is a fundraising opportunity for TVSD. Registration is available online at www.adventuresbythebook.com or by calling (619) 300-2532. You may also register at, or by calling, the TVSD office at (858) 569-9119 (**paying at the office is by check only**). Tickets may be purchased at the door, while seats are available.

Remember that your support of this program is integral to its success as an ongoing series in our community, so encourage your friends, family, and neighbors to join us!

About the Speaker: Patricia Schultz is the author of the #1 *New York Times* bestsellers *1000 Places to See Before You Die* and *1000 Places to See in the United States and Canada Before You Die*. A veteran travel journalist with 25 years of experience, she has written for guides such as Frommer's and Berlitz and periodicals including *The Wall Street Journal* and *Travel Weekly*. She also executive-produced a Travel Channel television show based on *1000 Places to See Before You Die*.
