

Come join the Social Committee for an afternoon of theater at the Scripps Ranch Theatre. The play **Loves and Hours** is the story of Dan Tilney who is a newly divorced empty-nester and a man at a loss of what to do with the rest of his life. Of course, his friends thinks he needs a girlfriend! It is a gentle comedy threaded with warmth and humor that offers insights into life and love and how complicated they can be for the young and the not-so-young.
